

37TH EUROPEAN IMMUNOGENETICS & HISTOCOMPATIBILITY CONFERENCE

20–23 MAY, 2024
GENEVA, SWITZERLAND

EasyChair Guidelines for Authors

The submission and review of the Abstract for the 37th EFI conference will be managed through an online conference management system called **EasyChair**. This system gives the authors complete control over their submissions. You can upload your paper via the system and check on its current status in the review process. For any difficulties in using the system, please do not hesitate to contact Marcela

To access the EasyChair platform you will need to set up an account (username and password) as an author. Go to <https://easychair.org/account/signup>.

A. SET UP AN EASYCHAIR ACCOUNT.

1. Check the "I am not a robot" box and continue.

Create an EasyChair Account: Step 1

To create an EasyChair account you should have a valid email address and do the following.

1. pass a captcha to prove that you are not a robot;
2. fill out a simple form with your personal information;
3. follow the link we send to your email address to complete the account creation.

Please note that the use of EasyChair is subject to [our terms of service](#).

Title and Abstract

The title and the abstract should be entered as plain text, they should not contain HTML elements.

A form with two input fields. The top field is labeled 'Title: *' and is a single-line text box. The bottom field is labeled 'Abstract: *' and is a larger multi-line text box with a scroll bar on the right side.

Keywords

Type a list of keywords (also known as key phrases or key terms), **one per line** to characterize your submission. You should specify at least three keywords.

A form with a single input field labeled 'Keywords: *'. The field is a multi-line text box with a scroll bar on the right side.

- Select **the topics** relevant to your submission. Then upload your abstract file via the paper option.

Note: Please select only one topic, this would help us to find the best reviewers for your abstract.

Topics

Please select topics relevant to your submission from the following list. Topics are typically used for assigning submissions to reviewers and for conference analytics.

A form containing a list of eight topics, each with an unchecked checkbox. The topics are arranged in two columns.

<input type="checkbox"/> Hematopoietic stem-cell transplantation (HSCT)	<input type="checkbox"/> Immunotherapy, Gene Therapy, Cellular Therapy
<input type="checkbox"/> MHC Evolution, Population Genetics	<input type="checkbox"/> Immunogenetics in Organ Transplantation
<input type="checkbox"/> New technologies in Immunogenetics	<input type="checkbox"/> Bioinformatics, data analysis in Immunogenetics
<input type="checkbox"/> NK cells & KIR	<input type="checkbox"/> Autoimmunity, Infection, Reproduction & Cancer
